ACTION TAKEN REPORT

(2018-19)

Student's Feedback

The feedback from the students was obtained and analyzed during the academic year 2018-19.

- IQAC asked Canteen Committee of the college to keep a proper check on the rates which should be nominal. They were to ensure that the healthy, nutritious and variety of food items should be served as per the demand of the students. The canteen contractor was called and advised to provide wide variety of eatables and maintain proper hygiene in the cafeteria.

Teacher's Feedback

- As 12% staff members opined that there is not sufficient number of books related to some courses, so, IQAC directed the Library committee to ensure maximum and timely availability of the books as per the requirements of the faculty.
